Our snowmobile stock consists of sporty Ski-Doo Renegade crossover snowmobiles. The alternatives are the powerful and economical 600 E-TEC and noiseless and odourless 600 ACE.

The snowmobile hire includes the charge for the route, driving equipment, user and safety instructions, insurance and the route map.

Fuel and lubricating oil are not included. One day hire (8 hours) includes 200 kilometres and 24-hour hire includes 250 kilometres. Extra kilometres cost 0.5 Euros per kilometre. In the case of an accident, the client's excess is maximum 1000 Euros. Outside the snowmobile routes, the client is totally responsible for the vehicle.
